## ABOUT ME

An energetic Fullstack developer with a bachelor's degree from Malmö University who has experience in web development in, among other things, JavaScript and recently cloud services such as GCP.

## EXPERIENCE

### The Stepstone Group - Intern

Software Company  
Sept 2023 - Jan 2024

The Stepstone Group is a company that develops solutions for employers and job seekers.

- Work with GCP Pipeline including Google Build, Google Run, Pub/Sub and BigQuery.
- Frontend with ReactJS and backend with NodeJS
- Created a custom API that handles requests
- Developed a web app that communicates with OpenAI ChatGPT.

### HIVE Malmö - Webdeveloper

Nonprofit Organization  
Oct 2022 - Jun 2023

HIVE is an event group created for companies and for media students who mainly work with organizing sponsored networking events during the semester.

- Website built with the Svelte framework
- Managed database information with Firebase and Notion API

### Lundakarnevalen - Webdeveloper

Nonprofit Organization  
Nov 2021 - May 2022

The Lundakarnevalen is an event that takes place every four years and is organized by only students in Lund.

- Developed an admin system to verify carnivalists
- Worked with ReactJS and Firebase to create the official carnival website
